I telephoned Mr. Shumansky to discuss the space that Mr. Aaron Rochester, Recycletronics, rented in the Scandinavian Building. Mr. Shumansky confirmed that Mr. Rochester began renting space on the third floor in about 2012 or 2013, and at that time he (Rochester) moved the waste into the rented space all at once. Mr. Shumansky also said Mr. Rochester has been paying about \$500 per month in rent, but that he is not current on rent. Mr. Shumansky said he spoke to Mr. Rochester yesterday (7/5/2017) and Mr. Rochester said that he could start processing the waste at the site to break it down. I recommended that Mr. Shumansky not let Mr. Rochester process waste at the site and recommended he speak to the State of Iowa because a recycling/processing permit may be required for that activity and I had concerns about lead dust being released during the processing.
